

NOTICE TO ALL OL CAREERISTS

NOTICE NO.

DISTRIBUTION OF INFORMATION

1. One of the continuing complaints I receive from OL careerists is that they are not receiving information on such matters as vacancy notices, training programs, Logistics Notices, etc. I consider this a valid complaint and have asked all division chiefs to renew their efforts to ensure that this type of information is circulated to all of their employees.

2. I also would like to ask each employee to make an effort to seek out this sort of information. Quite often this means finding out from their supervisors where notices are posted or kept in a particular component.

3. It is only through the cooperation of all that this problem can be corrected. I, therefore, request that whenever an employee discovers an instance where information is not properly distributed it be brought to the attention of either the supervisor, division chief, or the undersigned.
